Staff leave procedure 16

DOCUMENT ID	CATEGORY	PREPARED FOR
HF-0116	Finance	Officer and Senior Officer review

Purpose and background

This finance request describes the proposed change for the regional team. It explains why the current process needs review and who will be affected.

Proposed action

Approve the revised staff leave procedure for the next operating period. The Clerk will coordinate implementation after final approval.

Impact and controls

The team will record any costs, notify affected colleagues, and review the outcome after thirty days.

This supporting document is included for the local approval demonstration. The document body in the application remains the source for AI summary citations.
